

**Warning !**
The European Regulation Template (EU No 0016/161) indicates that the serialization information have to be mentioned as follows, taking into account the same prompts before variable data:

Variable data online printing FR:

*PC 0000000000000
*SN 0000000000
Lot 0000000000
EXP MM/YYYY

* Will be printed only after serialisation go live

The « Lot » and « EXP » lines can be located together above or below the PC and SN information, but never been apart.
